We are aware that some of this data may be out of date. Lifestyle clubs open and close on a regular basis and it is hard to keep this listing current without the help of people in the swinging scene. If you know that any of these clubs have closed, or have information about any swing clubs that we do not have listed, please drop us the details via the contact page and we will update the site.

Please check local laws for the acceptable age of consent and acceptable behaviours at swingers lifestyle clubs and parties before attending.
